The screenshot shows the Evolv Academy Home Page. At the top, there are course statistics: 10 courses in progress, 0 completed courses, 0h 0m training time, and 2 badges. Below this, there are sections for Customer Success, Service, and Product. The Product section lists three courses: Evolv Express Video Demonstrations, Evolv Express Operator, and Evolv Express Administrator. A navigation menu is open, showing options like 'My info', 'My courses', 'My certifications', 'My progress', 'My groups', 'My branches', and 'My files'. A red arrow points from the 'My files' option to a 'Search Catalog' button on the right side of the page, which is highlighted with a red box.

Taking a Course

Courses assigned (or chosen) are listed on your **Home Page**. Click a **Course** to begin.

The screenshot shows the selection of a course from the Home Page and the subsequent course details page. On the left, the Home Page displays course statistics and a list of assigned courses. The 'Evolv Express Operator' course is selected, and a red arrow points from the 'Start course' button to the right. On the right, the detailed course page for 'Evolv Express Operator' is shown. It includes a course thumbnail, a brief description, a 'Start course' button, and a table of contents with modules and quizzes. A red arrow points from the 'Start course' button on the Home Page to the 'Start course' button on the detailed course page.
